General Guidelines

- Party room space is limited. Please be mindful of this when inviting adult guests.
- You may arrive 15 minutes prior to your party time—no earlier, please. A Life Time Team Member is available to assist in prep party setup.
- Total party time includes transition time between activities, change time for swim and harness time for rockwall.
- Participants will transition to each activity at the allocated times (each activity is scheduled for 1 hour, unless you choose 2 hours of 1 activity).
- Party rooms are not reserved for the entire duration of the party.
- Parties do not have exclusive use of the pool or rock wall.

Participants and Supervision

- All participants must fill out a Participation Waiver in advance. Signature of parent or legal guardian is required.
- Life Time Team Members will not assist any participant in use of the bathroom.
- Any facility damages not the fault of Life Time will be charged to the participant.
- Party duration is 2 to 3 hours depending on party options selected. Non-member participants must exit the building after the event has concluded unless they initiate a guest pass with Member Services.

Swimming

- A swim test will be given to all participants. One parent or chaperone must be in the water during the swim test. Non-swimmers will be given a black wristband, and be required to wear a life jacket and remain within 10 feet of a parent or chaperone in the shallow end of the pool.
- **One adult must be in the water — within 10 feet — for every 3 non-swimmers.** If parent or chaperone does not want to swim with non-swimmers, they must inform the Party Supervisor at the time of booking or at least 2 weeks prior to the party, and pay \$25 for each Life Time Team Member needed for the swimming portion of the party. Party hosts do not get in the water for the party.
- Parties using the pool must comply with all pool rules, including safety breaks. Pool time cannot be guaranteed as situations may occur the day of the event requiring the pool to close. In the event of a pool closure, gym activities will be organized as backup.
